

# The KAMAR mobile phone app

Can be used by students and parents. You have access through it to see student attendance, timetable, details and results as well as view the daily notices and the calendar.

## Install instructions for KAMAR Mobile Phone App –

- Download the KAMAR App on your iOS device from the iTunes store by clicking on this link [Download Kamar App for iOS](#) or Download the KAMAR App on your Android device from the Google Play store by clicking on this link [Download Kamar App for Android](#)
- The first time you open the KAMAR App you will see the screen below (or if you do not see this screen select setting from top right hand corner and then select default). Enter the server address as shown, your school Kamar username and password, select save and finally push the back button at the top left of the screen:
